

## Announcements—Sunday—July 25th

VBS - SonQuest RainForest was a huge success! We had over 80 students and 20-25 volunteers each evening. We studied many of the Parables of Jesus; the Parable of the Sower, The Parable of the Lost Son, The Good Samaritan Parable, and we focused on the Love of God and how we are to emulate Him in all that we do. People from New Life and the Community were blessed. There was a skit production each evening based upon the theme, recreation for the youth, crafts for children and adults, snack and music times shared together. The entire church was filled with the joy of the Lord. Thanks to everyone...from decorating o sound for your participation and involvement and for bringing glory to God.
